

# THE CREATO MATOGRAPHER

Catering to different budgets & requirements, we have created many package options. Please note that the number of guests attending the event doesn't decide the angles we should keep to cover any event.

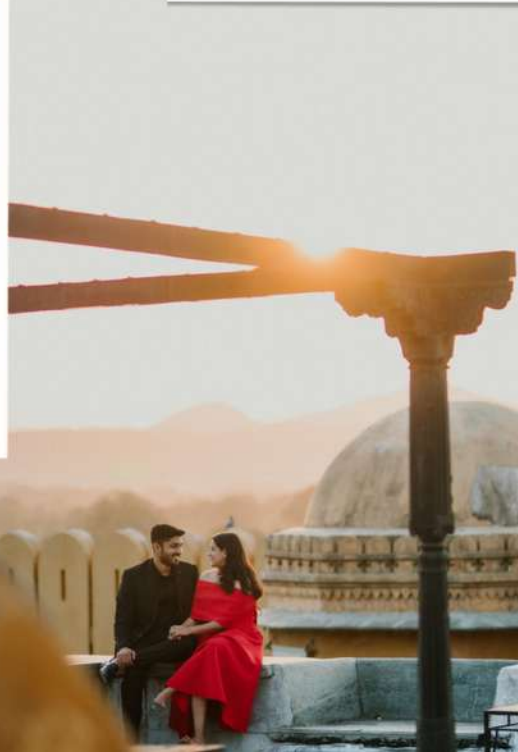

# PROPOSAL

We focus on more of the storytelling and different perspectives of the rituals and important moments. So focus will always be more on the couple and important family members & friends who will be the part of those rituals.

More camera angles give us a better opportunity to capture & showcase those raw emotions, which might get missed when we shoot with fewer cameras.

A romantic couple is shown in a close embrace on a sandy beach. The man, with a beard, is wearing a dark patterned shirt and dark shorts. The woman is wearing a dark patterned dress. They are both looking down at each other. The background is a soft, hazy sunset over the ocean, with the sun low on the horizon creating a warm, golden glow. The overall mood is intimate and romantic.
